

Clinical Supervisor of Registered Provisional Psychologists

Do you have a passion for nurturing the growth and development of registered provisional psychologists? Do you want to be a part of a great organization and an awesome team of dedicated therapists? Insight Psychological may be just the perfect place for you!

Insight Psychological is an innovative, multi-award-winning psychological care provider that has been recognized by Canadian Business and the Globe and Mail as one of Canada's Fastest Growing Companies. More importantly, we are a GREAT PLACE TO WORK certified organization. We are one of Alberta's top providers of high-quality multi-specialty counselling and assessment services, and have been supporting individuals, families, groups as well as organizations in various sectors since 1997.

Insight is continually growing and is currently looking for contract Registered Psychologists in good standing with the College of Alberta Psychologists who:

- Have significant (more than 5 years) post-registration clinical experience, with additional training and experience as a clinical and assessment supervisor.
- Are knowledgeable and experienced with a range of evidence-based treatment modalities and therapeutic approaches.
- Have additional training and specialization in one or more of Insight's TARGETED SPECIALTY AREAS, especially experience/expertise in working with couples, family, and children.
- Are able to work at our location(s) in Edmonton South/North/West/Downtown, Sherwood Park, or Calgary.
- Are willing and able to be named as primary and/or secondary supervisor on the College of Alberta Psychologists supervision plan of one or more Insight Psychological Registered Provisional Psychologist(s). The successful candidate will ensure that they are able to coordinate a consistent supervision meeting arrangement with the Registered Provisional Psychologist(s) in adherence to the College of Alberta Psychologists' Standards for Supervision requirements.

Compensation rate is up to \$155 per hour, depending on your experience, expertise, and role. Additional incentives include a very flexible schedule, full access to a comprehensive library of over 350 assessment tools as well as other specialty area libraries, a warm and attentive work environment nourished by a community of dedicated, like-minded professionals who genuinely cares about and support one another and more.

COUNSELLING/THERAPY - Successful candidates would have training and experience in providing therapy as well as clinical supervision in one or more of the following areas:

Assessment Services - Successful candidates would have training and/or experience in conducting and supervising one or more of the following types of assessment:

- Psycho-educational
- Parenting and Custody/Access
- Attention-Deficit/Hyperactivity Disorder (ADHD)
- Autism Spectrum Disorder (ASD)

Training and/or experience in delivering assessments in the following areas are an asset:

- Neuropsychological
- Psychological
- Personality and Behavioural
- Functional Capacity
- Forensic
- Vocational/Career
- General Aptitude

Qualifications/Requirements

- A Master's degree or PhD in Psychology.
- Must be a Registered Psychologist, in good standing, with the College of Alberta Psychologists.
- Significant (more than 5 years) post-registration clinical experience, with additional training and experience as a clinical and assessment supervisor.
- Solid competency in the administration and interpretation of psychological instruments and the writing of psychological reports.
- Knowledgeable and experienced with a range of evidence-based treatment modalities and therapeutic approaches.

Additional Knowledge, Skills, and Abilities

- Exceptional interpersonal and communication abilities (both verbal and written), with superior coaching and mentorship skills.
- Diligently maintains client files.
- Strong organizational, interpersonal, and time management skills.
- High level of professionalism, including punctuality, ethical conduct, and confidentiality
- High Integrity, adheres to ethical standards, and maintains honesty and professionalism
- Demonstrated commitment to ongoing professional development
- Proficiency in MS Office and full computer literacy.

Review of applications will start immediately and continue until the right candidate is found. Interested and qualified individuals are invited to forward their resumes at their earliest possibility to:

Christy Sandmaier
